COMMUNICATION - MARKET NOTICE – FACEPHI BIOMETRIA, S.A.

Dear Sirs,

On the 20th of December 2019, the Company published a corporate action notice adopted by the Extraordinary General Meeting of Shareholders held on that date, including, as a third point, the delegation to the Board of Directors of the power to issue warrants convertible into shares of the Company in favor of Nice & Green, S.A., excluding pre-emptive subscription rights, for a maximum amount of €3,500,000, as well as to increase share capital by the amount necessary to allow the conversion of such warrants.

On June 12th, the resolution of the Board of Directors adopted on May 29th, 2020, under the delegation of the Company's General Shareholders Meeting of December 20th, 2019, was made public, consisting of a first issuance of 20.192.308 convertible warrants into the Company's shares (the "Equity Warrants (JUNY 2020)"), being Nice & Green S.A. ("Nice & Green") the only recipient of the Equity Warrants (JUNY 2020). The first tranche of the equity warrants amounts to €1,050,000.

Nice & Green, under the terms of the investment agreement, made public through a Market Notice dated 18 September 2019, notified the Company and exercised its right to convert the 152,744 equity warrants on June 2020, for a conversion amount of 700.000 euros.

Following this partial conversion of the second tranche, Nice & Green exercised its rights to conversion on said JUNE 2020.

As a consequence of the above, FacePhi has granted a deed of capital increase to cover the issuance of the equity warrants. The new shares, to be issued in execution of the conversion of the 152,744 Equity Warrants (JUNY 2020) will be issued at a price of €4,5828 per share of which €4,5428 will correspond to share premium and €0.04 to par value. Consequently, the Company's share capital has been increased by €6,109.76 (par value 152,744 * €0.04)

Following the aforementioned capital increase, Article 5 of the Articles of Association is worded as follows: "The share capital is set at the sum of FIVE HUNDRED AND SIXTY-SIX THOUSAND FOUR HUNDRED AND SEVEN EUROS AND NINETY-TWO CENTS (€566,407.92), which is fully subscribed and paid up, divided into FOURTEEN MILLION ONE HUNDRED AND SIXTY THOUSAND ONE HUNDRED AND NINETY-EIGHT (14,160,198) shares, represented by book entries, with a par value of FOUR CENTS (€0.04) each, of the same class, equal, accumulative and indivisible".

The legal regime applicable to the Company's shares is the one provided for in Spanish law and, specifically, in the provisions included in the Corporations Act and in Royal Legislative Decree 4/2015 of 23rd October, approving the revised text of the Securities Market Act, as well as in the respective applicable implementing regulations.

The newly issued shares are denominated in euros and will be represented by book entries and will be registered in the corresponding accounting records held by Sociedad de Gestión de los Sistemas de Registro, Compensación y Liquidación de Valores, S.A.U., (Iberclear), with registered office in Madrid, Plaza Lealtad nº 1 and its authorized participating entities.

All the shares, including those issued at the time of the capital increase, are ordinary shares and confer the same political and economic rights as the currently outstanding shares.

We remain at your disposal for any clarification you might deem necessary.

Sincerely,

Salvador Martí Varó
Chairman of the Board of Directors
